

PROPERTY OPTIONS CHECKLIST

HOW TO USE

This is a simple way to assess each property you are considering, in order of your personal priorities. Simply consider each item in order of your personal priority and then ensure the property you are considering matches those requirements, e.g. Must haves, Nice to have, definitely not. Below is a simple table and scoring matrix for you to use, idea is highest score and no zeros wins?

Property Address:

MUST HAVES		
	ITEM	SCORE
	At least a single garage large enough for my care	3
	Within XXXX school catchment area	3
NICE TO HAVE		
	I'd like a conservatory	2
	En-suite shower room	2
DEFINITELY NOT		
	No parking	0
	Asbestos	0
